

Camp Thank You

From Joey (2009)

Thank you so much for letting me go to **NF** camp. I had so much fun my favorite part of camp was probly hanging in the cabin with the boys and the food was like I was home and I felt home when I got all selted (settled) and my most favorite part was the last night me and the boys had a all nightier party we had a blast we put some music on and danced and the talent show was fun too but the slip-n-slide was awesome and the camera guy was nice I miss camp so much I wish I still there but I will be there next year and I can't wait and the mtns. Were so pretty and the camp was a load of fun (hiking,etc) I made a lot of new friends (I think that is why they call it camp new friends) like Dylan, Seth, and a lot more I really miss camp I cried and cried all the way home cause I did not want to leave it was really hard leaving but I not worried cause like I said "I coming back next year" well one more thing I got to say thank you so NF camp you rock
