# **NF Midwest Board Application**

On behalf of everyone at Neurofibromatosis (NF) Midwest, thank you so much for your interest in board service. We know that those with an interest in being a leadership volunteer have many choices. In our community, there are an array of remarkable organizations engaged in the important work of making our world a better place. We are humbled knowing that you are interested in us.

The following application offers us an opportunity to know more about you, your skills, attributes and what you would bring to our board. It also gives you a sense of what matters to us in any board candidate.

The goal of our process is to determine if we are a good fit for each other – your level of commitment and ability to deliver on our

expectations so that we are confident that you can help us to increase the scope and impact of our work. On the other side, we want to know what motivates you and how you think about our organization so that we can help to create an excellent board experience for you.

Thank you again for your interest in our work and for taking the time to complete this application with thought and care. We look forward to reviewing it with that same level of thought and care and to continuing our conversations.

They are held at the NF Midwest office in St. Charles and typically run 2 to 3 hours. A limited amount of board officers may conference in remotely through video. In addition, each board member is expected to serve on a committee that would generally meet quarterly for 2 hours. Board members are also asked to attend special events throughout the year.
