

# Annual Walk4NF

**Would you like to sponsor a basket or an item  
for a Walk4NF “basket” raffle?**

You can fill a whole basket, donate items to add to a themed basket, or donate a larger item in honor of someone in your life with NF.

We would like baskets or items for Naperville to be at least a \$150 value. For other walks we'd like to see a value of at least \$50 per basket. Please get your basket to the local Walk coordinator one week prior to the event.

While it is acceptable to purchase items, try to get as many donations as possible.

Some ideas to consider:

- Use reward points from your bank or credit card.
- Ask your bank or other business that you have a relationship with. They often have nice giveaways or extra inventory.
- Have a home party like Norwex, Pampered Chef, Scentsy, Tastefully Simple, Thirty-One etc. and donate your freebies.
- Consider asking your company to sponsor a basket.
