

Dear Business Owner,

I hope this letter finds you well. As a volunteer of Neurofibromatosis (NF) Midwest, I'm reaching out to you to discuss the importance of businesses like yours donating raffle items to nonprofit organizations and to ask you to support NF Midwest's upcoming walks.

Neurofibromatosis types 1 and 2 and schwannomatosis are complicated genetic disorders that can cause tumors throughout the body and many other complications. NF Midwest supports the people in our community with these disorders in many ways.

Here are a just few reasons why your donation would be so crucial to our organization:

1. **Fundraising:** Nonprofit organizations rely on fundraising to support their programs and services and currently struggle to find donations for raffle and in-kind items to help in this effort.
2. **Visibility:** Your donation will help to promote your business to a broader audience
3. **Community support:** By supporting a nonprofit organization like NF Midwest, you are demonstrating your commitment to the community in which your business operates.

NF Midwest relies on the generosity of our community to help support the mission. Your business has an excellent reputation and I believe your contribution would greatly benefit the cause.

I understand that your business receives many requests for donations, and I appreciate your consideration. If you are interested in donating, I would be happy to discuss the details with you further, or you may contact NF Midwest directly. They can also help you if you are interested in sponsorship opportunities or verify this request's authenticity. To contact them, email events@nfmidwest.org or call 630-945-3562. The QR code below will take you to the Walk4NF event website or go to www.walk4nf.org.

Thank you for your time and consideration!

Sincerely,

_____ (Name)
