Make Your Walk4NF A Success!

Rally Your Family, Friends, Neighbors, and Co-Workers!

- Come up with a team name and maybe even a theme.
- Raise funds and awareness before the walk.
- Post on your social media and encourage others to share. **Use #walk4nf**
- The walk will be just about 2 miles but you can shorten it, if needed.
- There will be music and snacks.

What to Expect the Morning of the Walk

- The Walk4NF Indianapolis will be held at Locust Grove in White River State Park. There is a public, paid parking lot at the entrance of Locust Grove/Amphitheatre.
- Find the blue NF Midwest tent to check in. No need to check in with everyone, just your team captain is enough. Captains will receive their teams' t-shirts and any recognition prizes their fundraisers earned. Individuals will be sorted by name, teams by team name.
- You can purchase awareness merchandise and raffle tickets at the NF Midwest tent.
- Browse the raffle baskets, silent auction items, grab a snack, say hello.
- The walk will begin at 10:00am. The loop is about 2 miles through the park, it is gorgeous!
- To protect our community and the integrity and reputation of NF Midwest, you will be required to follow whatever social distancing recommendations are in place at the time of the walk.

Share, Share, Share! It Really Does Raise Awareness!

Share your page and story on social media including Facebook, Twitter, Instagram, Tik Tok and more. Talk about what you’re doing and WHY! Don’t forget emails or “snail” mail. Ask businesses you love to support your efforts- insurance brokers, dentists, hair salons, car dealerships and mechanics, and more have been known to donate.

Put the FUN in FUNdraise with Do It Your Way Events!

Most of our top teams are successful because they hold separate events to reach their fundraising goals. Raise awareness and support through bowling nights, vendor events, trivia night, poker night, fun fairs, and more. A lot can be done virtually as well. Give us a call if you need an idea or help with on of these Do It Your Way Events.

Be a Boss and Ask Your Boss!

See if your employer would like to help! Hold an event at your workplace or ask your coworkers to join your team. Many places of employment offer matching donation gift programs. All you, and your teammates, have to do is ask!

In Search of Sponsors and Raffle Prizes

Please, think of businesses you frequent who may be interested in sponsoring the walk or donating a raffle prize or basket. Did you know you get the “credit” if you secure a sponsorship? One way to get raffle prize is by redeeming credit card points. Raffle items can include tickets to local attractions, sporting events, zoo, or more.

Everybody knows somebody who wants to help. The secret is to ASK!

How Are Funds Used?

All of the money raised is used for the general mission of NF Midwest to improve the lives of people with neurofibromatosis and schwannomatosis through C.A.R.E.S.—Clinics, Awareness, Research, Education, and Support.

Sample of a fundraising appeal letter you can share on social media, email, or use for a regular mailing.

Dear Family and Friends,

Thank you so much for all of your love, support, and prayers over the last few months/years. We are writing you to ask for your support for the neurofibromatosis cause. As you may know, our daughter Jane was diagnosed with neurofibromatosis type 1 or NF1 this past January.

Her doctors found what they consider a low-grade brain tumor on her optic nerve as a result of this disorder. Jane has been undergoing chemotherapy treatment and will continue over the course of the year in hopes to stabilize the tumor's growth to keep her eyesight intact. She also undergoes MRIs every three months to note the progression of the tumor. She is a true inspiration and shows such bravery and strength at such a young age!

Neurofibromatosis is set a genetic disorders of the nervous system that causes that growth of tumors to form on nerves anywhere in the body. NF affects 1 in 2,500 people worldwide. If can cause many symptoms and affects each person differently. Currently, there is no cure for this disorder.

As everyone with NF does, we are learning to live day by day. We are hoping for a future that will bring us new opportunities for treatment and eventually a cure for this disorder. This is where you, our family and friends come in. You play an important role in helping us to get that much closer to this goal.

In honor of Jane, we have for a team called "Join for Jane". We will be honoring her by walking for a cure in the Walk4NF event on Saturday, May 13, 2023 at the Capital Brewery in Middleton, WI. We are walking to help raise awareness about neurofibromatosis (NF) and to raise funds to support NF research.

NF Midwest is the local regional non-profit that C.A.R.E.S. to help improve the lives of people with NF. By donating to my page, YOU are helping in this mission of C.A.R.E.S.—Clinics, Awareness, Research, Education, Support.

Thank you so much for your generosity and helping us "Join for Jane" to raise NF awareness in the hopes to finding a cure! Please remember that no gift/donation is too small! Feel free to forward this to anyone who may wish to donate to the cause as well! Thank you from the bottom of our hearts.

With heartfelt gratitude,

Joe and Jean Smith
