

2024 Walk4NF

Community Supporter Opportunities

At least four walks will be held and an information booklet published which information to the neurofibromatosis community NF Midwest serves which includes Illinois, Wisconsin, Iowa, Indiana, Kentucky and the eastern half of Missouri.

Local business, organization, and individual support is critical to the success of the Walk4NF program. Most communities have families which are impacted by neurofibromatosis. Financial support, a raffle basket, or gift in-kind help provide resources which allow NF Midwest to meet its mission of "improving the lives of children, adults, and families impacted by neurofibromatosis".
