

RIDE WITH US

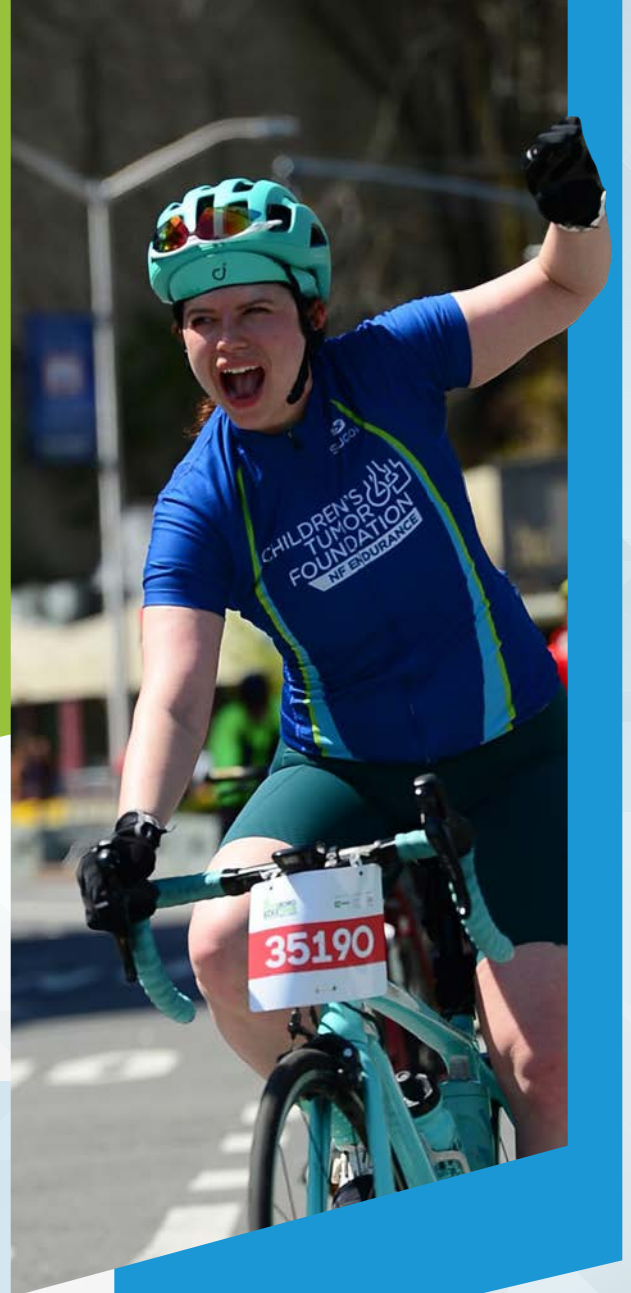

HELP END NF!

Join the NF Endurance team for the North Shore Century Ride on September 10 –

Chicagoland's premiere cycling event. Ride through beautiful neighborhoods, view unique architectural treasures, pedal down tree-lined streets, and feel the refreshing breezes of Lake Michigan. Choose between four "century" distances – Classic, Metric, Half or Quarter – and enjoy a fully supported ride featuring fabulous food, mechanical support at each rest stop, and on-course, radio-directed SAG vehicles – all while making a difference for those living with NF. And as an NF Endurance athlete, you'll save 10% on race registration. The race will be capped at 2,400 riders, so sign up today!
